Dear Jim:

Just a note to express our gratitude to you, the Navy, Mort Abramowitz and David Quant and his staff in OSD/ISA for the fine work you all did in arranging to get our people to Guantanamo Bay. I know it meant many hours of extra work on short notice. We'll continue to be in touch with one another I'm sure about this problem. Thanks again.

Sincerely,

Patricia M. Derian

Rights and Humanitarian Affairs

James Woolsey,
